ADMISSIONS TO THE RECEPTION (EY2) CLASS:

INFORMATION AND PROCEDURE

Introductory Note

Broxbourne CE Primary School exists to serve the needs of the Church of England and other Christian churches as well as the wider community in the Broxbourne area. As a one-form entry Voluntary Aided school the Governing Body, who is responsible for establishing the School's aims and admitting the children, will admit **30 children** to the Reception class each September. However, parents may request that the date their child is admitted to the School be deferred until the term in which the child is five. Where a parent of a summer born child (1st April – 31st August) wishes their child to start school in the term following their fifth birthday, they will normally need to make an in-year application for a Y1 place. Parents should discuss this with the school as soon as possible. If parents wish such child to be educated 'out of year group' i.e. in the Reception Year rather than Y1 they should discuss this with the school. Such applications will be considered on a case by case basis. Parents do not have the right of appeal against a decision not to accept this request. Parents may also request that their child attends part-time until the term in which the child is five.

Every effort will be made to accommodate twins and multiple births. Where the last available place is offered to a twin or multiple birth places will also be offered to the other twin or sibling(s) as exceptions to the Infant Class Size rule.

If there are more than 30 applicants, the Governors will offer places according to the list of criteria, detailed below, that have been agreed in co-operation with the Diocese of St Albans and Hertfordshire County Council. The school operates a **Continued Interest** list (waiting list) for all age groups in which there are no vacancies. Whenever a place becomes available, it will be offered in accordance with the published criteria as they apply *at the time of the vacancy*. (NB Length of time on the Continued Interest List or previous priority on the list will not apply.)

Please read the School website for more information about the School and for an insight into its life.

ADMISSIONS CRITERIA 2019/20 – Reception Class

Section 324 of the Education Act 1996 requires the Governing Body to admit a child with a Statement of Special Educational Needs that names the school. Schools must also admit children with an EHC (Education, Health and Care) Plan that names the school.

In the event of over-subscription the Governors will offer places according to the following order of priority: *See note 1*

- | | | |
|------------|---|--|
| Category A | Children in public care (children looked after) and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangement order or a special guardianship order). | |
| Category B | Brothers and sisters of pupils at the School (not including the Nursery) at the time of admission. | <i>See note 4</i> |
| Category C | Children of those parents of the main Christian denominations who live and/or worship regularly within the Broxbourne district of the Parish of Broxbourne with Wormley (a map is available from the school office) and who at the closing date of applications and for a period of at least two years previously have attended church at least 30 times | <i>See note 2</i> |
| Category D | Not more than two places will be allocated to children of parents of the main Christian Denominations who are regular worshippers and do not live or worship in the area described in Category C and who at the closing date of applications and for a period of at least two years previously attended church at least 30 times. | <i>See note 2</i>
<i>See note 3</i> |
| Category E | Any other children. | |

Notes on the Criteria

1. If any category is **oversubscribed** the places will be determined in that category by using the Herts County Council 'measuring home to school' distance rule. The measurement is taken from the AddressBase Premium address point of your child's house to the address point of the school. AddressBase Premium data is a nationally recognised method of identifying the location of schools and individual residences. Please note too that '**permanent home address**' means the address at which the child resides from Monday to Friday, not an accommodation address. In the case of a block of flats the lowest number will be considered to be the shortest distance.
2. For applications in Categories C and D (church applications) parents are requested to return the Supplementary Information Form to the School signed by themselves and their clergy. Applicants who have attended more than one church in the previous two years (e.g. owing to relocation) will need to provide written evidence from clergy of regular attendance at previous churches. The main Christian Denominations are defined by membership of 'Churches Together in England'.
3. In the event of places in Category D not being taken up they will be allocated to children in Category E.
4. 'Brothers and sisters' include half brothers or half sisters, adopted brothers or sisters or children of the parent or partner living in the same house from Monday to Friday.
5. If two addresses are identical distances from the school, priority will be decided by drawing lots, which will be supervised by an independent witness.

- ii. Parents/carers are requested to complete our Supplementary Information Form and return it to the school office by the closing date for applications. If a Supplementary Information Form is not completed the Governing Body will apply their admission arrangements using the information submitted on the Common Application Form only, which may result in your application being given a lower priority.
- iii. Please ensure this deadline is met. The Hertfordshire or Essex form can be completed on-line or sent direct to the relevant Council. Only the School form must be returned to the School.
- iv. Applications received late by Hertfordshire County Council or Essex County Council will be considered in accordance with the Governors' criteria, only after all on-time applications have been processed.

General Notes

- a. Please note that the Governors will not consider a repeat application within the same academic year unless there has been a significant change in circumstances.
- b. A place in the Nursery does not automatically entitle any child to a place in the Reception class.
- c. Parents who have not been allocated a place for their child in the Reception (EY2) class have the right of appeal to an independent panel. Parents wishing to appeal who applied through Hertfordshire's online system should log in to their online application and click on the link "register an appeal". Out of county residents and paper applicants should call the Customer Service Centre on 0300 123 4043 to request their registration details and log into www.hertfordshire.gov.uk/schoolappeals and click on the link "log into the appeals system".
- d. The school follows the 2012 School Admissions Code regarding twins and multiple births. If one of a multiple birth family is admitted as the last child, then the others will be admitted above the Published Admission Number and count as an exception under the current KS1 Legislation.
- e. If a place becomes available in the school looked after children, previously looked after children, and those allocated a place at the school in accordance with the Hertfordshire Fair Access Protocol will take precedence over those on the Continued Interest list. Parents of all children on the Continued Interest list will be contacted annually to see if they wish their child's name to remain on the Continued Interest List.
- f. A map outlining the Parish boundary can be obtained from the school office.
