HEADTEACHER UPDATE

We are sure our Year 6 children (and staff!) will sleep well this weekend after a super week in Ironbridge. At the time of typing, the Year 6's are en route, weighted down with a substantial quantity of Cadbury World chocolate cargo and many happy memories. We look forward to welcoming you back and hearing all about this in more detail next week after some recuperation... Our children received a number of positive comments this week and Mrs Melidoro, Mrs Rowbottom, Mrs Gallagher and Ms Parkinson report just how fantastic the year group were and what a delight they were to be with. Thank you to our staff team for ensuring this was the case.

As I review the last few weeks, sporting success is very much more in evidence at Broxbourne. This week our cricketers and indeed once again our tennis players have represented us and performed well. Our Year 5 cricketers (see photo on next page) were awesome this week, and comprehensively won the District Tournament, playing Roselands in the final. Praveen and Theo particularly were identified by Miss Wild for the way in which they conducted themselves. Unfortunately they will be on their residential at the time of the county final, though this bodes well for next year...

Our Year 3 and 4 also acquitted themselves positively during the County Tennis Finals and played with spirit and respect. Well done to all involved against tough competition. Thank you to our staff for providing our children with these fabulous opportunities.

In one week it will once more be our PTA Summer Fair. Please fully support us in advance and by attending. We have a live band this year and hope for fine weather. The Fair opens at 12:00pm and closes at 3:00pm. We look forward to seeing you there.

In assembly this morning, we said goodbye to Miss Melanie Clarke, MSA, Cleaner, Librarian and After School Club Playworker! I would like to take this opportunity to thank Miss Clarke for all she has contributed to Broxbourne CE Primary over the 2 years she has worked here and for the difference she has made to the children. I know you would want to join me in thanking Miss Clarke for all she has done and in sending her our very best wishes for the future.

Finally, good luck to our Year 5 Maths Challenge Team who are at this event currently. We will report how they get on next week.

We wish you all happy and successful weekends.

Best wishes Paul Miller
