Broxbourne CE Primary School Newsletter

HEADTEACHER UPDATE

I hope this finds all Broxbourne families and children well and having had a successful and productive week.

Year 6 have had a super time in and around Ironbridge this week and, whilst tiring for all involved, have been a delight to take away.

All matters Victorian have been the focus. Blists Hill, The Iron Museum, the world's first blast furnace, Enginuity Science Museum, The Black Country Living Museum, a Victorian lesson and mining experience and finally Cadbury's World will all have been visited by the time we return home this afternoon. Best of all, the children have had time to express their own unique and special personalities in a different setting to school. I wish to thank all of the staff at Edmond

Hall and our intrepid team of Mrs Apostolos, Mrs Gallagher and Mrs Rowbottom. As I type this on the coach for the homeward leg, we are being treated to a collective Bruno Mars rendition! We have thoroughly enjoyed the week and will sleep well this weekend!

Mrs Melidoro has been at the helm this week and we have been in daily contact reporting on events to each other. I am delighted to hear how well our tennis teams fared at both Cassiobury Mini Red tournament and St Albans Mini Orange tournament. Particular mention for Louis M and Elliot F who have qualified for the County

Mini Red Finals later this month. Congratulations on a super performance and excellent sportsmanship - they were a credit to the school. Bikeability has also been taking place in and around school this week for Year 5 to equip our youngsters with the skills to safely navigate the road system. Year 5 also attended a celebratory event for participating in the 'Give Your School the Run Around' initiative.

They enjoyed a picnic and run before being given their medals. Huge congratulations to Amelie who was awarded a prize for making the quickest scrambled egg!

Next week our District Sports Team training starts, initially at lunchtimes, though as we move towards the event on Tuesday, 4th July, we will schedule some after school practises. Please ensure speedy trainers and kit are in school for the next few weeks.

I look forward to seeing you all on Monday and hope all weekends are good ones.

Best wishes Paul

YEAR 2

**Trip to Cuffley Camp
next**

Wednesday, 21st June.
