Broxbourne CE Primary School Newsletter

HEADTEACHER UPDATE

I wish to congratulate all of our runners on their determination, positivity and on how they encouraged each other collectively during our fourth running of The Todd Waldock Memorial Run. It was super to be able to welcome our school community in to enjoy today's event and in particular, Todd's mum, Linda, to enjoy the event and encourage our children to take on the challenge of their respective run. Todd lived his life with a very positive mindset and would be proud of the efforts our children put into their running today. Thank you to all of our PTA for organising the breakfast beforehand and in supporting in the running of the event. The finish line system in particular was run with its usual military precision – well done to Miss Branston, Mrs Francis and team.

Thank you for all sponsor money raised so far which is going towards our Woodland Wildlife Learning Space. Please collect and return any forms and monies as soon as you are able. Alternatively, please post a post-race congratulatory message and donation and share the link with your family and friends, encouraging them to do likewise. We intend to book the next stage of our Woodland Wildlife project next week and given current school budget constraints, really need all the financial help our PTA are able to provide. A number of photographs taken will feature during the school update section of Sunday's 9:30am family church service.

We hope to see as many Broxbourne families as possible this Sunday at our Broxbourne Goes to Church family service. Alice, Estelle, Anya and Lucy are all set to perform a bible skit, our choir will be singing as part of the service and a few pictures of recent school happenings will also be shared, including Wednesday's Year 1 and 2 'Royal' wedding ceremony as well as today's run! We hope you are able to join us at 9:30am and look forward to seeing you there.

Best wishes Paul Miller

STAFF CAR PARK

Please remember if you are dropping your child to Breakfast Club, or collecting from After School Club you are not permitted to use the Staff Car Park. Please use the Visitor Bays at the front of the Car Park, or if they are in use, please park along the towpath, along the river side.

Thank you.

WATER BOTTLES

A healthy fluid intake is extremely important for us all, including for optimising our brain function. We are therefore very keen that children have access to water throughout the school day, particularly as the weather becomes warmer. If you need a replacement water bottle please call in to the school office. The cost of a bottle and lid is £1.30, or you can buy them separately, the bottle is 92p and the lid is 38p. Thank you.
