## HEADTEACHER UPDATE

Preparations are well underway for our Summer Fair, and as a school we wish to thank all those involved in organising, setting up, running stalls and clearing up afterwards at tomorrow's event. It takes a good deal of preparation and commitment to realise the annual spectacle and we all really appreciate the effort of all of our PTA, ably led by Lucy Farley, Governors and the rest of our school community.

We are looking forward to this once more and hope for similar weather to today after what has been a scorcher of a week. We hope to see as many of you as possible there as a school community. Well done to our Year 2's who secured themselves an additional break time as a result of being the class who brought in the most sweet jars for the sweet tombola. I have once more been press-ganged into a stint in the stocks, though have specified £50 pounds needs to be raised on the day before I am once more prepared to brave the soggy sponges!!! Doors open at 12noon and the event concludes at 3pm after the raffle has been drawn.

Some of our Year 5 and 6 children attended the District Swimming Gala on Wednesday afternoon and Mrs Roberts and Mrs Parkinson were extremely impressed with how they supported and encouraged one another across the afternoon. There were some excellent individual and relay team performances and the team were competing against a number of two form entry schools which makes matters more challenging. A number of our pupils made finals and overall the team came 7<sup>th</sup>. Very well done to all of you for representing our school so positively.

Finally, to further develop links between St Augustine's Church and our school community, we will be encouraging attendance at family services on one Sunday of each term in the next academic year. To initially develop the idea, our inaugural focus service attendance will be on Sunday 9th July at 9.30am. The aim of these services is for our children and families to collectively attend church, have fun and enjoy spending time together worshipping, as well as finding out what is going on within the church and local parish, and even perhaps how to become further involved. Our thanks to Reverend Hudson and Reverend Finlay for this opportunity and their preparation for the first of these services and subsequent post-service events thereafter. Mrs Melidoro and I look forward to seeing as many of you there as possible. Details of this special day are included with this newsletter.

Have a super weekend and see you tomorrow.

Best wishes Paul Miller
