HEADTEACHER UPDATE

Unfortunately our planned Broxbourne Todd Waldock Memorial Run needed to be postponed today until Friday 18th May, due to the poor weather. We hope for a fine weather day on the rearranged date and that you are able to join us for some or part of the morning to support this community event and our young runners.

As a collective school, we wish to hugely thank Pulse Jobs and their amazing voluntary team, who worked tirelessly on Tuesday, laying weed control membrane paths around the wildlife woodland area. The progress they made was amazing and it epitomises our current focus value of service in action. Many hands do indeed make light work and the team were extremely positive and a joy to welcome to our school. Well done to all of our children who thanked them personally when the team had lunch in our dining hall. We hope to be able to install the envisaged stage, story area and break-out group work areas as soon as possible, so this may be used after half term. We also hope Pulse Jobs are able to join us for an official opening, once these areas have been installed. When and whether this is possible, depends very much on PTA funding and how much can be raised. A plan of the area is now showing on the JustGiving site if you have not yet visited this and posted a message of good luck. Thank you for all of your kind donations and support so far.

Two trips occurred this week and both were very successful. Year 4 found out about a number of animals during their visit to Woburn Safari Park and EY2 had a super time at Hayes Hill Farm meeting a number of young spring born animals. Thank you to all parents who assisted on these trips.

Next Tuesday, we welcome the Mayor of Broxbourne to our school for a tour, to meet our popular chess club and to bravely contest a match against Alex, our current champion.

Two dates for your diaries are approaching soon: Friday 18th May PTA Quiz night and Sunday 20th May Broxbourne Goes to Church Family Service at 9:30am St Augustine's Church. Our choir will be singing as part of this service as we celebrate Pentecost and ultimately the birth of the church. We would love to see you at both of these events.

We hope the weather improves and that your weekends are enjoyable.
Best wishes Paul Miller
