Broxbourne CE Primary School Newsletter

HEADTEACHER'S UPDATE

The children have had an excellent week and have benefitted from our 'Healthy Living' focus. This has involved 'Lab-Tots' led healthy cooking sessions, learning about the features of a balanced diet, understanding the digestive system through 'Brilliant Bodies' workshops, learning about the importance of an active lifestyle and concluding this afternoon through our own Broxbourne World Cup. Some photos have been included to show what a successful week this has proven to be. Thank you to Miss Wild for organising the week through our Sports Premium funding.

This time last week, the Summer Fair was very much in focus. The Fair was a huge success once more and thank you to all who contributed, helped and attended our community event. Over £4,000 pounds has been raised as a result and when this is combined with the £2,947.24 the Todd Waldoock Memorial Run raised, this is tremendous and these funds will really benefit our children. Our final PTA meeting of the year is set for 10th July at 7:00pm and if you wish to find out what is going on, please do attend. Thank you.

Our Year 1 Class Assembly was of high quality today celebrating diversity and harmony. An animal focus was also included, following the class trip to Paradise Wildlife Park recently. Chinese New Year – this year is the year of the dog – was also included. Our children are really flourishing under Miss Sibthorpe and Mrs Brislin's care and it was wonderful to see and share this with our parents in attendance. Very well done to all of our Year 1 children and staff.

Our Year 2's attended Aldenham Park & Farm for outdoor pursuits and den building this week. Mrs Apostolos was pleased with our young Bear Grylls' who all survived the expedition. Thank you to all parents who helped throughout the day.

Our Year 6 performed their dress-rehearsal this week to our school and this went well. Their leaving 'Goodbye My Friend' performance is next week and we are sure our Year 6 parents will find many scenes greatly amusing. Incidentally, Sophie and Freddie also tied the knot today at St Augustines in a service led by Reverend Hudson as part of our PSHE learning.

Congratulations to our Year 5 tennis players for their performances during the District Tennis Tournament this week. Well done particularly to Joss, who showed pleasing sportsmanship throughout the tournament and received a certificate acknowledging his positive and sporting approach.

Next Monday is our first 'Christianity Around the World' focus day and the children will enjoy a global tour (including passport) considering what it means to be a Christian in different locations around the world. Thank you to Mrs Apostolos, who has put an exciting plan together. We look forward to the event and activities.

Next Tuesday, we will be praying for efficient baton changes and speedy running at District Sports. We will report next week in how we fare and hope to perform to our potential given all the practise in advance.

Finally, the staff and Governing Body both have separate teams for tonight's PTA Quiz. The gauntlet has been laid down... We understand there has been some initial skulduggery in that the GB team have apparently drafted in some quiz professionals!?! Who will emerge victorious at the end of tonight's adult only quiz? Doors open at 7:00pm for a 7:30pm start. Our professional reputation is at stake...!

We hope your weekends are enjoyable.

Best wishes Paul Miller
