

Summer Term Issue 10

1st July 2016

Broxbourne CE Primary School Newsletter

HEADTEACHER'S UPDATE

It was super to meet our September EY2 parents and children at today's taster lunch and for them in turn to meet each other. We hope you found this useful, informative and in terms of the food, tasty!

The theme of the week has very much been one of trips. Our Year 5 stayed dry (other than their wellies during the river study) on their residential trip to Burwell. All sound to have had a fantastic time and real teamwork was, by all accounts, evident across the week from our children. Thank you to the staff team of Mrs Melidoro, Miss Garsrud, Mrs Parkinson and Miss Gilbert for making sure all had a brilliant time. Sleep well ladies.

The second trip this week saw our Year 1's attending Paradise Park. They were mentioned as being excellent ambassadors for our school in celebratory assembly today, so well done to them.

Our Year 6's attended a marriage service and our EY2's were church detectives at St Augustine's also this week and so the school has been very quiet at certain times this week.

The final trip of the week happened today, as our Year 4's considered all matters Tudor, and went back in time at Kentwell Hall. I am sure all of our trip attending pupils will have much to talk about after a good sleep this weekend.

We have our inaugural 'Broxbourne Goes To Church' and family fun day afterwards at St Augustine's at 9:30 on Sunday 9th July. It would be wonderful if as many of our Broxbourne families as possible are able to attend. With Reverend Hudson, we have booked in provisional dates for the next academic year each term and once confirmed will share these and add them to our school calendar.

Thank you to all who contributed and attended last Saturday's Summer Fair. Once more this really epitomises the support of our school community and raised approximately £4000 profit, which for a single form entry school is amazing.

Finally, finishing with sport... Well done to Elliot and Louis, who made it through the district tennis and into the county final. They acquitted themselves superbly a year under age and came 5th overall. This bodes well for the future boys.

Good luck to our athletes at District Sports next Tuesday morning at John Warner School. We hope for determination, speedy legs and slick baton changes and have been practising well.

We hope your weekends prove restful as we move into the final three weeks of the academic year.

Best wishes Paul Miller

SAFEGUARDING UPDATE

SINGLE POINT OF ENTRY & EXIT

We wish to remind you at all times, when on the school site during the school day, you should enter and exit through the main school office. This applies to all events such as sports day, class assemblies and volunteer helping or assisting the school PTA. Under no circumstances should you be inside our school through any other means.

UNIFORM SURVEY

Reminder! The uniform survey is live until 9pm on Tuesday, 4th July. Please ensure you complete this to register your views. The link is below:

<https://www.surveymonkey.co.uk/r/UniformSurveyBroxbourneCEPrimary>

Thank you.

THERE WILL BE NO KS2 GAMES ON MONDAY, 3RD JULY

This is due to Year 6 performing their 'Leavers' Production to the whole school.

SUMMER FAIR

What a great day we all had on Saturday! A huge 'well done' to all the PTA Committee, Class Reps and everyone who was able to help in any way to contribute to such a successful afternoon. The stocks were once again popular this year!! Everyone seemed to enjoy themselves and approximately £4,000 was raised. Such a successful day is only made possible by the hard work and organisation of so many individuals, who came together to create a wholly enjoyable experience. Very well done and thank you, from all staff, governors and children to everyone who helped and everyone who supported the fair!

YEAR 4

**Class Assembly
next
Friday,
8th July
10am**

DISTRICT SPORTS

**next Tuesday, 4th
July
at John Warner
Sports Centre**

YEAR 6

**Leavers' Production
Wednesday, 5th July
at 7pm.**

YOUNG PEOPLE'S EMOTIONAL WELLBEING SURVEY

Hertfordshire County Council are inviting young people across Hertfordshire to take part in an anonymous survey to help shape a new emotional wellbeing campaign for the county. We would encourage as many of you to take part as possible. The survey can be accessed at <https://surveys.hertfordshire.gov.uk/s/emotionwellbeing/>

Although the survey is open to all, we are particularly looking for responses from boys as the campaign will be more targeted in this direction. The survey will run until the end of term.

Thank you for your help with this. The responses will help us to shape a really important campaign for Hertfordshire with the following vision:

'We aim to make it easier for boys/young men across Hertfordshire to understand, see the relevance of, and where appropriate, seek support for their mental health.'
