HEADTEACHER UPDATE

Welcome back to the very busy and final half term of the academic year.

We were all relieved to hear that Eddie is making a full recovery after being knocked over whilst crossing the main road on Wednesday. Having spoken to him and his mum whilst they were in hospital, we are very thankful and fortunate that he will soon be back with us safe and well.

It has been another sporty week with some pleasing and promising performances.

Well done to our Year 5 and 6 rounder's team, who finished as runners up from the ten teams involved in this week's District Tournament. Collectively, Miss Wild reports you were outstanding and it was super to be able to acknowledge this in today's assembly.

Our Year 6 tennis pairs gave a good account of themselves during this week's Tennis Tournament. Against some tough opposition they acquitted themselves well. Well done to Ben, William, James, Jacob, James and Zach on their solid paired performances.

Trip season is upon us and first off next week are our Year 6 as they embark on their residential to Ironbridge. We wish you all a super week, hope for fine weather and many happy memories.

The next few weeks provide the opportunity to see how our children are developing in their investigative approaches to mathematics and problem solving. Mrs Wood, our Maths Subject Leader, and I look forward to spending time reviewing this with our children and seeing how they approach such scenarios in their lessons.

We hope your weekends are excellent and particularly for those Ironbridge bound, restful...!

Best wishes Paul Miller
