

Sports Premium Funding 2016-17

The government has provided additional funding for the academic year 2016 to 2017 to improve provision of physical education (PE) and sport in primary schools. This funding is provided jointly by the Departments for Education, Health and Culture, Media and Sport and is ring-fenced and therefore can only be spent on provision of PE and sport in schools

At Broxbourne CE Primary School we ensure first-rate provision in Physical Education and value the contribution sport can make towards physical well-being and a healthy lifestyle for all our children. Broxbourne offers a wide range of sporting opportunities, from an extensive range of extra-curricular clubs, to participation in a number of Inter School and Inter House sporting competitions. We strongly believe in building on the legacy of the London 2012 Olympics and 'Staying Inspired!
