**Broxbourne CE Primary School admissions criteria**

- Category A Children in public care (children looked after) and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangement order or a special guardianship order).
- Category B Brothers and sisters of pupils at the School (not including the Nursery) at the time of admission.
- Category C Children of those parents of the main Christian denominations who live and/or worship regularly within the Broxbourne district of the Parish of Broxbourne with Wormley (a map is available from the school office) and who at the closing date of applications and for a **period of at least two years** previously have attended church at least 30 times.
- Category D Not more than two places will be allocated to children of parents of the main Christian Denominations who are regular worshippers and do not live or worship in the area described in Category C and who at the closing date of applications and for a **period of at least two years** previously have attended church at least 30 times.
- Category E Any other children.

**Notes on the Criteria**

1. If any category is **oversubscribed** the places will be determined in that category by using the Herts County Council 'measuring home to school' distance rule. Please note too that '**permanent home address**' means the address at which the child resides from Monday to Friday, not an accommodation address. In the case of a block of flats the lowest number will be considered to be the shortest distance.
2. For applications in Categories C and D (church applications) parents are requested to return the Supplementary Information Form to the School signed by themselves and their clergy. Applicants who have attended more than one church in the previous two years (e.g. owing to relocation) will need to provide written evidence from clergy of regular attendance at previous churches. The main Christian Denominations are defined by membership of 'Churches Together in England'.
3. In the event of places in Category D not being taken up they will be allocated to children in Category E.
4. 'Brothers and sisters' include half brothers or half sisters, adopted brothers or sisters or children of the parent or partner living in the same house from Monday to Friday.
5. If two addresses are identical distances from the school, priority will be decided by drawing lots.

**Official Clergy Confirmation**

**To be completed by the clergy**

- 1) this attendance has been for a period of at least 2 years
- 2) this attendance has been for a minimum of 30 times in the 2 year period
