## HEADTEACHER UPDATE

Well done to our Year 6 football team on their sporting behaviour at Wednesday's District 'A' Football Tournament. The team improved across the afternoon and placed 10<sup>th</sup> of the schools involved. Next week sees our Year 5's play in the B team equivalent and we are looking forward to it. Thank you to Mr Wilson, Mr Markham and Mrs Davidson for assisting me on the afternoon and for providing our children with this opportunity.

Year 4 had a Potter-tastic day at Warner Brother's Studios on Tuesday to complement their reading and study of all matters Potter. Well done for being such good ambassadors of our school and we are delighted you had such an exciting and memorable day.

Our Year 1 phonics presentation from Tuesday's meeting is under 'Noticeboard' on our school website and includes live links in order to support your child out of school with their phonics and reading.

Year 6 enjoyed learning about structures and how these are given strength through today's K'nex Challenge. They worked as teams to plan and build large scale projects against a design brief and had great fun across the morning. Thank you to SetPoint for their visit to enable this.

We hope your weekend is relaxing and enjoyable.

Best wishes Paul Miller
